### Great Western

### Antler Rendezvous

Watch the Alpine website for an announcement of dates for this activity.

### Alpine Mountain

**Days** June 22nd - June 24th

On January 16th, 2018 Mike Hunsaker, Chief Administrative Officer of Star Valley Medical Center addressed the Mayor and Council to explain the Star Valley medical Center's plans for expansion of medical services in Alpine. SVMC's vision is to enlarge the family practice clinic and add urgent care as well as provide a specialty clinic which, to begin with, will be orthopedic services in Alpine. The potential plan is to offer urgent care from 5 p.m. to 9 p.m. Monday through Friday and 9 a.m. to 5 p.m. on Saturday and Sunday.

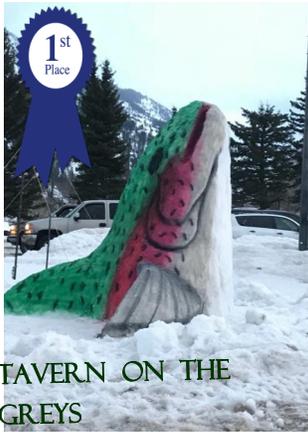

Mr. Hunsaker thanked the Mayor and Council for leasing the space to SVMC and it is hoped that additional land may be leased to expand the facility. The vision is to tear down the existing clinic and build a new, larger structure.

The Town will sponsor a grant with SVMC as a partner to fund the expansion. The grant will be submitted to the Wyoming Business Council. If the grant process is unsuccessful SVMC Board of Trustees is committed to fund the expansion in Alpine.

### OUR PURPOSE

The Town of Alpine exists to provide municipal services necessary to support the residential, business, environmental, and historical interests that define our community. Our Services enhance the quality of life for those who live here and enhance the experience for our guests. We value our environmental resources and scenic beauty where we live.

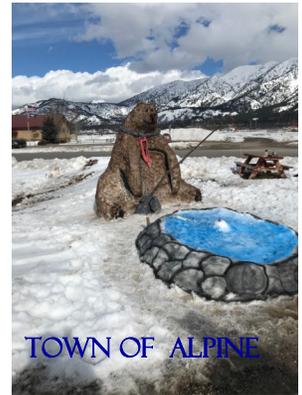

Another successful Alpine Winter Jubilee was held February 9 and 10, 2018. With participation throughout the town in the form of snow sculptures, fireworks, and numerous donations from local businesses and individuals, the Jubilee Committee is excited about what next year will bring!

Some of the highlights include: snow sculptures carved by fifteen businesses in Alpine in the days leading up to the event. It was fun watching the creative process change an eight foot cube of packed snow into amazing artistic sculptures – who knew we had such talent in our little mountain town?! The winning sculpture was The Tavern on the Greys “Trout” with Tack and Treasure’s “Smoking Gun” and Alpine Athletic Club’s “Scrubbing Bubble” taking second and third, respectively. A HUGE Thank You to Top of the Rockies Snowmobile Club for organizing the Snow Sculpture event – from purchasing materials for the boxes as well as building the snow cubes for carving.

The action began Friday with Dinky’s Hot Dog Roast at the gazebo in Marge Grover Park and had a great turnout with over 160 dogs roasted. A light parade and fireworks followed with American Legion Bingo wrapping up the Friday events. There were a record setting number of players at Bingo with 120 participants!

Saturday events started with Children’s Activities in the Donn Wooden Civic Center with a variety of craft projects to entertain the kids and parents. A Casino Night concluded the weekend schedule where there was well over 50 raffle items donated by local businesses and individuals. We are truly blessed to have such a generous community – it is greatly appreciated by all!

The best part about this weekend is that all proceeds are given out in the form of scholarships for local youth attending college in the fall. Each person that donated, attended or volunteered helped us raise this money and we can not thank you enough!

We hope to see all of you next year during this fun winter celebration!
